

Access To Music 2024

A new conference for disabled musicians, the music and live events industry and music educators everywhere.

The **Access To Music Conference** will be a **one-day conference** covering key challenges faced by disabled musicians and audiences. Three panels will cover the **artist/audience experience, technology & education** and **research & policy**.

- Contributors include **UK Music, Musicians' Union, Attitude Is Everything, Drake Music, Creative United, Arts Council England, Youth Music, Music For Youth, TiME, University of Gloucestershire, Falmouth University** and many more.
- The conference will feature performances and provision of the **BEAT BLOCKS haptic dancefloor** in the **Discovery Space** where **audience members will be able to experience the dancefloor** and see the technology in action for themselves.
- **Livestream broadcast**
- This conference is the first of its kind in the UK! Its closest relation would be **Berklee's ABLE Assembly** in Boston.
